Bagged Garbage Pricing

Bagged garbage pricing will be updated to the following three options:

- **Small:** Up to 30 gallons — **\$2**
- **Medium:** Up to 40 gallons — **\$3**
- **Large:** Over 40 gallons — **\$4**

Car & Truck Recycling

Car and truck recycling pricing will be consolidated into the following structure:

- **Cars & Trucks:** \$20
- **Vehicles with a Trailer:** \$30

This represents an increase from the current pricing of \$15 for cars and \$25 for trucks.

Removal of Punch cards

With adapting to the new system removal of punch cards will better help us track customers and services purchased

Construction & Demolition (C&D) Waste Surcharge

A new surcharge will be added for Construction & Demolition (C&D) waste. This surcharge will help offset the cost of a new mini excavator, as well as the additional labor and fuel required to handle and process C&D materials.

The surcharge will be based on the type of vehicle or trailer:

- **Vehicle:** \$5
- **Single-Axle Trailer:** \$10
- **Dual-Axle Trailer or Small Dump/Box Truck:** \$15
- **Dump trucks:** \$20
